1. [REDACTED] was in to say that, due to a recurrence of his old ailments, he is not going to be able to work at the office any more. At Mr. [REDACTED] request, however, he will continue to put in full time at his home for about another month, at which time he had proposed to resign from the Agency, but Mr. Dulles has requested that he remain on a leave-without-pay basis. I told him this was exactly what we hope to do and would appreciate if
